

EKA LESTIENNE

AR ARTIST · DIGITAL CREATOR · CULTURAL STORYTELLER

Art · Augmented Reality · Brands · Culture · Social Media

Art Basel Miami · Salon d'Automne Paris · National Art Center Tokyo · ETH Denver · Vienna Digital Lab · Quantum Temple

WHAT I CREATE

Mediums

Augmented Reality Art · Generative Art · Digital Illustration · Motion Design

Creative Vision

Baroque complexity meets digital precision. Multilayered visual worlds where culture, identity, and technology collide, brought to life through augmented reality.

Deliverables

AR Art Installations · Brand Content & Social Media · Commissioned Artworks · Immersive Experiences · Creative Direction

"I create art that lives in two worlds : on the wall and on the screen. Scan it, and it comes alive."

COLLABORATION

I partner with brands, hotels, museums, publishers, and cultural institutions to create art that audiences interact with, share, and remember.

From physical artworks with AR layers to social media content and immersive brand activations — every project is tailored to your audience and your story.

Available for: commissions, brand partnerships, content creation, exhibitions, and creative consulting.
